

CDCR Standards Reference List - Software

Report Guide

This report creates a list of standards for selected categories.

This report was run with the following prompt values:

- Categories:**
- Assistance Request
 - Benefit Management
 - Dependent Platform
 - Education / Training
 - Governance / Policy Management
 - Independent Platform
 - Information Mapping / Taxonomy
 - Mapping / Geospatial / Elevation / GPS
 - Modeling
 - Portal Servers
 - Portfolio Management
 - Program / Project Management
 - Remote Systems Control
 - Resource Planning and Allocation
 - Video Conferencing
 - Virus Protection
 - Web Browser

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Assistance Request	Alloy Software	Alloy Software	Alloy Software		Twilight
	BMC Remedy	BMC	BMC Remedy 6.0	This technology is not appropriate for inmate, ward, or parolee access.	Twilight

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Assistance Request	BMC Remedy	BMC	BMC Remedy 6.0.1	This technology is not appropriate for inmate, ward, or parolee access. (ITS & S)	Twilight
			BMC Remedy 7.0	This technology is not appropriate for inmate, ward, or parolee access.	Current
	BMC Remedy IT Service Management Suite	BMC	BMC Remedy IT Service Management Suite 7	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Numara Software, Inc. Track-It!	Numara Software, Inc.	Numara Software, Inc. Track-It!		Twilight
Benefit Management	Benefit Software CompWatch	Benefit Software, Inc.	Benefit Software CompWatch	This technology is not appropriate for inmate, ward, or parolee access. Workers Compensation	Current
Dependent Platform	Apple Operating System	Apple	Apple Operating System X	Unix / Linux	Twilight
	Microsoft .NET Framework	Microsoft	Microsoft .NET Framework 1.0	This technology is not appropriate for inmate, ward, or parolee access.	Current
			Microsoft .NET Framework 1.1	This technology is not appropriate for inmate, ward, or parolee access.	Current
			Microsoft .NET Framework 2.0	This technology is not appropriate for inmate, ward, or parolee access. Framework (DECS) (LSTS)	Current
			Microsoft .NET Framework 3.0	This technology is not appropriate for inmate, ward, or parolee access.	Current
			Microsoft .NET Framework 3.5	This technology is not appropriate for inmate, ward, or parolee access.	Emerging
			Microsoft .NET Framework 4.0	This technology is not appropriate for inmate, ward, or parolee access.	Emerging
Microsoft Windows					

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Dependent Platform	Microsoft Windows	Microsoft	Microsoft Windows 2000	CalParole	Twilight
			Microsoft Windows 2000 (non R2)		Twilight
			Microsoft Windows 2003 (non R2)		Twilight
			Microsoft Windows 7	Pilot / Test EIS & SOMS	Emerging
			Microsoft Windows CE (Moble)	PDA Operating System	Twilight
			Microsoft Windows NT 4.0		Twilight
			Microsoft Windows Server 2008		Twilight
			Microsoft Windows Server 2008 (R2)	Emerging for Domain Controllers	Current
			Microsoft Windows Vista		Unauthorized
			Microsoft Windows XP		Current
			Microsoft Windows XP Professional	Stand Alone Computers	Current
Microsoft Windows XP Professional w/ Client	Networked Computers	Current			
Education / Training	DRC Learning Management System (LMS)		DRC Learning Management System (LMS)	SOMS	Current
Governance / Policy Management	Hewlett Packard (HP) ProCurve Identity Driven Manager (IDM)	Hewlett Packard (HP)	Hewlett Packard (HP) ProCurve Identity Driven Manager (IDM)	This technology is not appropriate for inmate, ward, or parolee access.	Emerging
	International Organization for Standardization (ISO)	International Organization for Standardization (ISO)	Business Process Execution Language (BPEL)	This technology is not appropriate for inmate, ward, or parolee access. Framework	Current
	McAfee Policy Auditor	McAfee	McAfee Policy Auditor 5.0		Emerging

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Governance / Policy Management	Microsoft Active Directory Group Policy Management Console (GPMC)	Microsoft	Microsoft Active Directory Group Policy Management Console (GPMC) 1.0	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Microsoft Network Access Protection (NAP) (Windows Server)	Microsoft	Microsoft Network Access Protection (NAP) (Windows Server) 2008	This technology is not appropriate for inmate, ward, or parolee access.	Emerging
	Microsoft Rights Management Services	Microsoft	Microsoft Rights Management Services 2008	Pilot / Test (EIS)	Emerging
	Oracle Service Registry (Universal Description, Discovery and Integration - UDDI)	Oracle	Oracle 10g Service Registry UDDI	SOMS / SOA	Emerging
	Oracle Web Services Manager	Oracle	Oracle 10g Web Services Manager	SOMS / SOA	Emerging
			Oracle 11g Web Services Manager	SOMS / SOA	Emerging
	Web Services Gateway	Oracle	Web Services Gateway	SOMS / SOA	Emerging
Independent Platform	Hewlett Packard (HP) HP-UX	Hewlett Packard (HP)	Hewlett Packard (HP) HP-UX 11.0	UNIX / LINUX	Twilight
			Hewlett Packard (HP) HP-UX 11i	UNIX / LINUX	Twilight

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Independent Platform	Hewlett Packard (HP) HP-UX	Hewlett Packard (HP)	Hewlett Packard (HP) HP-UX 11i v2	This technology is not appropriate for inmate, ward, or parolee access. UNIX / LINUX	Current
			Hewlett Packard (HP) HP-UX 11i v3	UNIX / LINUX	Emerging
	Hewlett Packard (HP) Tru64	Hewlett Packard (HP)	Hewlett Packard (HP) Tru64	UNIX / LINUX	Twilight
	IBM AIX 5L	IBM	IBM AIX 5L 5.3	UNIX / LINUX	Current
	Novell, Inc. SUSE Linux	Novell, Inc.	Novell, Inc. SUSE Linux		Current
	Red Hat Linux	Red Hat	Red Hat Linux 3		Current
			Red Hat Linux 4		Current
			Red Hat Linux 5 (Secure FTP)	This technology is not appropriate for inmate, ward, or parolee access.	Emerging
	Sun Microsystems J2EE	Sun Microsystems	Sun Microsystems J2EE		Twilight
	Sun Microsystems Java	Sun Microsystems	Sun Microsystems Java		Twilight
Sun Microsystems Java J2EE-based Frameworks	Sun Microsystems	Sun Microsystems Java J2EE-based Frameworks	Framework	Twilight	
Sun Microsystems Solaris	Sun Microsystems	Sun Microsystems Solaris 10		Current	
Information Mapping / Taxonomy	Sypherlink NIEM Harmonizer	Sypherlink	Sypherlink NIEM Harmonizer	SOMS	Emerging

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Mapping / Geospatial / Elevation / GPS	ESRI ArcGIS Server		ESRI ArcGIS Server	SOMS	Emerging
	ESRI GeoMapping	ESRI	ESRI GeoMapping	This technology is not appropriate for inmate, ward, or parolee access. Parole Leads	Twilight
	Google Earth	Google	Google Earth	This technology is not appropriate for inmate, ward, or parolee access. Pilot /Test (DAPO) Free Licensing	Emerging
			Google Earth Professional	This technology is not appropriate for inmate, ward, or parolee access. Pilot / Test (OCS)	Emerging
	Microsoft MapPoint	Microsoft	Microsoft MapPoint	This technology is not appropriate for inmate, ward, or parolee access. DAPO	Twilight
	Microsoft Streets and Maps	Microsoft	Microsoft Streets and Maps	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Microsoft Virtual Earth	Microsoft	Microsoft Virtual Earth	Pilot / Test (DAPO)	Emerging
	Thomas Brothers Guide Maps	Thomas Bros. Maps	Thomas Brothers Guide Maps	This technology is not appropriate for inmate, ward, or parolee access.	Current
Modeling	Autodesk AutoCAD Revit Architecture	Autodesk	Autodesk AutoCAD Revit Architecture 2009	Inmate Rehabilitation use for Machine, Mill, Cabinet only Staff use for Institution Plant Operations	Current
	Computer Associates Inc (CAI) AllFusion ERwin Component Modeler	Computer Associates Inc (CAI)	Computer Associates Inc (CAI) AllFusion ERwin Component Modeler	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Computer Associates Inc (CAI) AllFusion ERwin Data Model Validator				

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Modeling	Computer Associates Inc (CAI) AllFusion	Computer Associates Inc (CAI)	Computer Associates Inc (CAI) AllFusion ERwin Data Model Validator 4	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Computer Associates Inc (CAI) AllFusion ERwin Data Modeler	Computer Associates Inc (CAI)	Computer Associates Inc (CAI) AllFusion ERwin Data Modeler 6	This technology is not appropriate for inmate, ward, or parolee access. CalParole	Current
	Computer Associates Inc (CAI) AllFusion Model Manager	Computer Associates Inc (CAI)	Computer Associates Inc (CAI) AllFusion Model Manager 7	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Computer Associates Inc (CAI) AllFusion Modeling Suite	Computer Associates Inc (CAI)	Computer Associates Inc (CAI) AllFusion Modeling Suite 7.1	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Microsoft SQL Server 2000	Microsoft	Microsoft SQL Server 2000 Tool Suite	This technology is not appropriate for inmate, ward, or parolee access.	Twilight
			Microsoft SQL Server 2000 Tools And Utilities	This technology is not appropriate for inmate, ward, or parolee access.	Twilight
	Microsoft SQL Server 2005	Microsoft	Microsoft SQL Server 2005 Management Studio	This technology is not appropriate for inmate, ward, or parolee access.	Current
			Microsoft SQL Server 2005 Tools And Utilities	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Microsoft Visio	Microsoft	Microsoft Visio 2003 Professional	This technology is not appropriate for inmate, ward, or parolee access. Architecture, Engineering, Facilities, and IT Functionality	Current
			Microsoft Visio 2003 Standard	This technology is not appropriate for inmate, ward, or parolee access. Basic Office Functionality	Current

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase	
Modeling	Oracle ARIS 7.1 Business Process Modeling Notation (BPMN) Suite	Oracle	Oracle ARIS 7.1 Business Process Modeling Notation (BPMN) Suite	SOMS	Emerging	
	Oracle Designer	Oracle	Oracle Designer 2000		Twilight	
	Oracle SQL Developer	Oracle	Oracle SQL Developer	This technology is not appropriate for inmate, ward, or parolee access.	Current	
	Quest Tool for Oracle Application Developer (TOAD)	Quest	Quest Tool for Oracle Application Developer (TOAD) 8.6	Quest Tool for Oracle Application Developer (TOAD) 8.6	This technology is not appropriate for inmate, ward, or parolee access.	Twilight
			Quest Tool for Oracle Application Developer (TOAD) 9.0	Quest Tool for Oracle Application Developer (TOAD) 9.0	This technology is not appropriate for inmate, ward, or parolee access.	Twilight
			Quest Tool for Oracle Application Developer (TOAD) 9.1	Quest Tool for Oracle Application Developer (TOAD) 9.1	This technology is not appropriate for inmate, ward, or parolee access.	Twilight
			Quest Tool for Oracle Application Developer (TOAD) 9.6.1.1	Quest Tool for Oracle Application Developer (TOAD) 9.6.1.1	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Troux Architect Client	Troux	Troux Architect Client 8.0.2009.0430	This technology is not appropriate for inmate, ward, or parolee access.	Current	
	Troux eaGOV Semantics	Troux	Troux eaGOV Semantics 8.0.2009.0604	This technology is not appropriate for inmate, ward, or parolee access.	Current	
	Unified Modeling Language (UML)		Unified Modeling Language (UML) 2.0	This technology is not appropriate for inmate, ward, or parolee access. Framework	Current	
Portal Servers	Microsoft Office SharePoint Server		Microsoft Office SharePoint Server 2003		Sunset	
			Microsoft Office SharePoint Server 2007	CDCR enterprise horizontal portal	Current	
	Oracle WebCenter Suite		Oracle 11g WebCenter Suite	SOMS Vertical Portal	Emerging	
	SAP Enterprise Portal (EP)					

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase	
Portal Servers	SAP Enterprise Portal (EP)	SAP	SAP Enterprise Portal (EP)	BIS Vertical Portal	Current	
Portfolio Management	Microsoft Portfolio Server	Microsoft	Microsoft Portfolio Server 2007	Pilot / Test (EIS)	Emerging	
	Microsoft Project Professional	Microsoft	Microsoft Project Professional 2007		Current	
Program / Project Management	CDCR's Project Management Methodology (PMM)	California Department of Corrections & Rehabilitation (CDCR)	CDCR's Project Management Methodology (PMM)		Emerging	
	Microsoft Enterprise Project Management (EPM) Solution	Microsoft	Microsoft Enterprise Project Management (EPM) Solution		Sunset	
	Microsoft Excel	Microsoft	Microsoft Excel	Stand Alone Projects and Initiatives	Current	
	Microsoft Office SharePoint Server		Microsoft Office SharePoint Server 2007 (Project Web Access)		Current	
	Microsoft Project			Microsoft Project 2000		Twilight
				Microsoft Project 2002		Twilight
				Microsoft Project 98		Twilight
	Microsoft Project Professional			Microsoft Project Professional 2003		Twilight
				Microsoft Project Professional 2007		Current
	Microsoft Project Server			Microsoft Project Server 2003		Sunset
			Microsoft Project Server 2007	Enterprise Projects (EIS)	Current	

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Program / Project Management	Microsoft Project Standard	Microsoft	Microsoft Project Standard 2003		Twilight
			Microsoft Project Standard 2007		Twilight
	Primavera	Primavera	Primavera 3	Facilities only	Twilight
			Primavera 6	Facilities only	Current
	Project Management Body of Knowledge (PMBOK)		Project Management Body of Knowledge (PMBOK)	Methodology	Current
	PRojects IN Controlled Environments 2 (PRINCE)		PRojects IN Controlled Environments 2 (PRINCE)	Methodology	Twilight
	Software / Systems Development Life Cycle (SDLC)		Software / Systems Development Life Cycle (SDLC)	Methodology	Current
Remote Systems Control	Apple Remote Desktop Client	Apple	Apple Remote Desktop Client	Ward Use - Macintosh Computers	Twilight
	Dameware Mini Remote Control	Dameware	Dameware Mini Remote Control 4.2	This technology is not appropriate for inmate, ward, or parolee access. Windows Computers	Twilight
	Famatech Remote Admin	Famatech	Famatech Remote Admin 2.2	This technology is not appropriate for inmate, ward, or parolee access.	Twilight
			Famatech Remote Admin 3.1	This technology is not appropriate for inmate, ward, or parolee access. Pilot / Test - Windows Computers (EIS)	Emerging
	Microsoft Internet Security and Acceleration Server (ISA)	Microsoft	Microsoft Internet Security and Acceleration Server (ISA) 2004	This technology is not appropriate for inmate, ward, or parolee access. Outlook Web Access 2003	Twilight
			Microsoft Internet Security and Acceleration Server (ISA) 2006	This technology is not appropriate for inmate, ward, or parolee access. SharePoint, FisWeb, OPEC Media Server	Current

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Remote Systems Control	Microsoft Remote Access Server	Microsoft	Microsoft Remote Access Server	This technology is not appropriate for inmate, ward, or parolee access. RAS & TRACS	Twilight
	Microsoft Remote Assistance	Microsoft	Microsoft Remote Assistance	This technology is not appropriate for inmate, ward, or parolee access.	Current
	Microsoft Remote Desktop	Microsoft	Microsoft Remote Desktop	This technology is not appropriate for inmate, ward, or parolee access. Windows Computers & Servers	Current
	Motorola Timbuktu Pro	Motorola	Motorola Timbuktu Pro	DJJ	Twilight
	RealVNC Virtual Network Computing	RealVNC	RealVNC Virtual Network Computing 3.3.7		Twilight
	Ultra Virtual Network Computing (VNC)	Open Source	Ultra Virtual Network Computing (VNC)	Pilot / Test (EIS)	Emerging
	VESoft MPEX Shell	VeSoft	VESoft MPEX Shell		Twilight
	Wyse Management	Wyse	Wyse Management	Pilot / Test - Thin Clients (Pelican Bay)	Emerging
Resource Planning and Allocation	ABS Visual Staff Scheduler Pro	ABS	ABS Visual Staff Scheduler Pro		Twilight
	Microsoft Enterprise Project Management (EPM) Solution	Microsoft	Microsoft Enterprise Project Management (EPM) Solution		Sunset
	Microsoft Office SharePoint Server		Microsoft Office SharePoint Server 2007 (Project Web Access)		Current
	Microsoft Project Professional				

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Resource Planning and Allocation	Microsoft Project Professional	Microsoft	Microsoft Project Professional 2003		Twilight
			Microsoft Project Professional 2007		Current
	Microsoft Project Server	Microsoft	Microsoft Project Server 2003		Sunset
			Microsoft Project Server 2007	Enterprise Projects (EIS)	Current
	Microsoft Project Standard	Microsoft	Microsoft Project Standard 2003		Twilight
			Microsoft Project Standard 2007		Twilight
SAP Enterprise Portal (EP)	SAP	SAP Enterprise Portal (EP)	BIS Vertical Portal	Current	
Video Conferencing	Cisco Systems WebEx	Cisco Systems	Cisco Systems WebEx H.323	This technology is not appropriate for inmate, ward, or parolee access. Web Collaboration Pilot / Test - EIS	Emerging
	Microsoft GoToMeeting	Microsoft	Microsoft GoToMeeting H.323		Twilight
	Microsoft Office Live Meeting	Microsoft	Microsoft Office Live Meeting 2007 H.323	Web Collaboration Contains Microsoft Live Office 2007 & Microsoft Office Communicator 2007 General use Video Conferencing	Current
Virus Protection	McAfee Active Virus Defense	McAfee	McAfee Active Virus Defense	Required for all CDCR computers; Network and Stand Alone	Current
	McAfee Virus Scan	McAfee	McAfee Virus Scan	Required for all CDCR computers Desktop use - Macintosh - Ward Use	Current
	McAfee Virus Scan Enterprise	McAfee	McAfee Virus Scan Enterprise 8.5.i	Required for all CDCR computers Desktop Network	Current
	Microsoft Antigen	Microsoft	Microsoft Antigen 9.1	This technology is not appropriate for inmate, ward, or parolee access. Email Server	Current
	Microsoft Forefront	Microsoft	Microsoft Forefront		Emerging

Category	Product Standard	Manufacturer	Version Name	Description	Current Internal Phase
Web Browser	AOL Netscape Navigator	AOL	AOL Netscape Navigator	CLETS LEAWeb	Twilight
	Apple Safari	Apple	Apple Safari	Lifecycle - CURRENT for Graphic Arts Only Ward Use - No Internet Access	Twilight
	Google Chrome	Google	Google Chrome	This technology is not appropriate for inmate, ward, or parolee access.	Emerging
	Microsoft Internet Explorer	Microsoft	Microsoft Internet Explorer 6.0	Limited Ward Use Web Browser for desktops, BIS, CalParole	Twilight
			Microsoft Internet Explorer 7.0	This technology is not appropriate for inmate, ward, or parolee access.	Current
			Microsoft Internet Explorer 8.0	This technology is not appropriate for inmate, ward, or parolee access. Web Browser for new IT applications only - certification for backwards compatibility must be received prior to production release.	Emerging
	Mozilla Firefox	Open Source	Mozilla Firefox		Twilight
	Opera Software	Opera Software	Opera Software		Unauthorized
Oracle Initiator	Oracle	Oracle Initiator		Unauthorized
