

CDCR Standards Reference List - Hardware

Report Guide

This report creates a list of standards for selected categories.

This report was run with the following prompt values:

- Categories:**
- Embedded Technology Devices
 - Local Area Network (LAN)
 - Peripherals
 - Servers / Computers
 - Storage
 - Video Conferencing
 - Wireless / PDA

| Category | Product Standard | Manufacturer | Model Name | Description | Current Internal Phase | |
|-----------------------------|--|----------------------|--|---|----------------------------------|---------|
| Embedded Technology Devices | Dell Remote Access Controller (DRAC) | Dell | Dell Remote Access Controller (DRAC) | This technology is not appropriate for inmate, ward, or parolee access. Servers | Current | |
| | Hewlett Packard (HP) Integrated Lights Out (ILO) | Hewlett Packard (HP) | Hewlett Packard (HP) Integrated Lights Out (ILO) | This technology is not appropriate for inmate, ward, or parolee access. | Current | |
| | RAID | | | RAID 0+1 | Database | Current |
| | | | | RAID 1 | Operating System | Current |
| | | | | RAID 5 | Database; Files and Applications | |

| Category | Product Standard | Manufacturer | Model Name | Description | Current Internal Phase |
|-------------------------------------|--|---|--|--|------------------------|
| Embedded Technology | RAID | | RAID 5 | Database; Files and Applications | Current |
| Local Area Network (LAN) | IEEE-ISTO Network Standard | IEEE Industry Standards and Technology Organization (IEEE-ISTO) | IEEE-ISTO 802.1Q Virtual LAN (VLAN) | Protocol | Current |
| | | | IEEE-ISTO Power Over Ethernet | This technology is not appropriate for inmate, ward, or parolee access. BIS | Emerging |
| Peripherals | Attachmate Irma Emulation Card | Attachmate Corporation | Attachmate Irma Emulation Card | Used in conjunction with Attachmate software. | Current |
| | Flashdrive McAfee MFE Standard Encrypted USB | McAfee | Flashdrives McAfee MFE Standard Encrypted USB | This technology is not appropriate for inmate, ward, or parolee access. Stock # USB-ST02-?GBP 2G Max | Current |
| | Metrologic Orbit Omni Barcode Scanner | Metrologic | Metrologic Orbit Omni Barcode Scanner | SOMS | Emerging |
| | Monitor: Gateway | Gateway | Gateway EV755 | | Twilight |
| | Monitor: Hewlett Packard (HP) | Hewlett Packard (HP) | Hewlett Packard (HP) Monitor L1750 | 17" LCD | Twilight |
| | | | Hewlett Packard (HP) Monitor L1945w | Regular User - Maximum size 19" wide LCD Stock #KD286AA#ABA | Current |
| | | | Hewlett Packard (HP) Monitor L2045w | 20" wide LCD | Twilight |
| | | | Hewlett Packard (HP) Monitor L2245wg | Developers and Engineers - Maximum Size 22" wide LCD Stock #FL472AA#ABA | Current |
| | Mopier: Hewlett Packard (HP) | Hewlett Packard (HP) | Hewlett Packard (HP) Mopier M3035xs | High Capacity Use with justification SOMS Printer/Copier/Scanner | Current |
| Hewlett Packard (HP) Mopier M4345xs | | | High Capacity Use with Justification SOMS Printer/Copier/Scanner | | |

| Category | Product Standard | Manufacturer | Model Name | Description | Current Internal Phase |
|-------------|---|---|--|--|------------------------|
| Peripherals | Mopier: Hewlett Packard (HP) Printer: Brother | Hewlett Packard (HP) Brother | Hewlett Packard (HP) Mopier M4345xs | High Capacity Use with Justification | Current |
| | Printer: Brother | Brother | Brother Printer | SOMS Printer/Copier/Scanner | Twilight |
