SELECTION PROCESS

All offers will be reviewed for responsiveness to requirements of the RFO. If a response is missing required information, it may be deemed non-responsive. Responsive offers will be scored on the “Best Value” criteria listed below. Further review is subject to CCHCS' discretion.

CCHCS' evaluation process is based on an industry best practice technique called progressive filtering. The process steps are as follows:

1. Review Offers to Administrative Criteria;
 - a. Responses are reviewed to ensure the submitted offer contains all administrative sections required for contract purposes (e.g. Cover Letter, Rate Sheet, Payee Data, etc.).
2. Evaluate Offers Based on Technical and Administrative Criteria;
 - a. Offers are scored against Technical and Administrative RFO requirements.
 - b. This step results in a Preliminary Technical Score and Preliminary Administrative Score.
3. Rank and Select Best Offers;
 - a. The Technical score (i.e., consultant qualifications, experience, etc.) and Administrative score are used to select the best two-to-four (2-4) offers.
4. Schedule and Perform Candidate Interviews (optional);
 - a. The candidate interviews are used to refine and validate assessed Technical and Administrative scores.
 - b. This step results in Final Technical and Administrative scores.
5. Review Offer's Proposed Cost; and
 - a. Lowest cost proposal will receive full cost points and each proposal with higher cost will receive a percentage of total points.
6. Determine Best Value.
 - a. Reference checks are performed at the discretion of the evaluation team.
 - b. CCHCS may enter into contract negotiations at this time including, but not limited to, rate/cost negotiation.

EXHIBIT A STATEMENT OF WORK

A. BACKGROUND AND PURPOSE

The State of California's prison medical system was placed into Receivership by United States District Court Judge, Thelton E. Henderson, as a result of a 2001 class action lawsuit brought against the State of California over the quality of medical care in the State's prison system. The Court found that the medical care was a violation of the Eighth Amendment of the U.S. Constitution, which forbids cruel and unusual punishment of the incarcerated.

All activities of the Receivership have one common purpose: to create a collaborative environment where custody and health care staff improve upon the quality of medical services in California prisons in order to meet constitutional standards while reducing avoidable morbidity and mortality. The Receiver has adopted six goals that are necessary for the California Department of Corrections and Rehabilitations (CDCR) health care program to rise to constitutionally acceptable and sustainable levels. The goals are: 1) ensure timely access to health care services; 2) establish a prison medical program addressing the full continuum of health care services; 3) recruit, train and retain a professional quality medical workforce; 4) implement a quality assurance and continuous improvement program; 5) establish medical support infrastructure; and 6) provide for necessary clinical, administrative, and housing facilities.

The above goals encompass key aspects of the CDCR's health care delivery system and the Receiver has initiated organizational changes to improve medical, nursing, mental health, and dental programs. The California Correctional Health Care Services (CCHCS) has embarked on a number of informational technology (IT) projects to support the Receiver's efforts in raising the level of patient-inmate health care to constitutional standards.

Some of these projects include Electronic Unit Health Record (eUHR), Pharmacy System, Health Care Scheduling and Tracking System (HCSTS), Laboratory Information System (LIS), Dental Imaging, Mental Health Tracking System (MHTS), and Patient Health Information Portal (PHIP).

To ensure long-term sustainability of these health care systems CCHCS seeks an experienced Systems Analyst to capture and update its business and technical requirements, solution architecture, system design, interface design, database design, report design and graphical user interface design. This agreement includes assessment of the existing methodology and identification of improvement opportunities to policies, standards, processes, practices and procedures. As part of the analysis, evaluation of tools to assist with the requirements management and support processes is necessary.

The consultant will work with all CCHCS IT projects and collaborate with health care and IT professionals. The consultant will report to CCHCS' Deputy Chief Information Officer (DCIO), Health Care Information Solutions (HCIS), or designee(s).

2. SUBCONTRACTOR/CONSULTANT INFORMATION

Contractor is required to identify all subcontractors who will perform labor or render services in the performance of the Agreement. Additionally, the Contractor shall notify the CCHCS, DCIO, within ten (10) working days, of any changes to the subcontractor and/or consultant information.

3. EMPLOYMENT OF EX-OFFENDERS

a. Contractor cannot and will not either directly, or via a subcontracted consultant and/or firm, employ in connection with this Agreement:

- (1) Ex-Offenders on active parole or probation;
- (2) Ex-Offenders at any time if they are required to register as a sex offender pursuant to Penal Code Section 290 or if such ex-offender has an offense history involving a “violent felony” as defined in subparagraph (c) of Penal Code Section 667.5; or
- (3) Any ex-felon in a position which provides direct supervision of parolees.

b. Ex-Offenders who can provide written evidence of having satisfactorily completed parole or probation may be considered for employment by the Contractor subject to the following limitations:

4. LICENSES AND PERMITS

The Contractor shall be an individual or firm licensed to do business in California and shall obtain at Contractor’s expense all license(s) and permit(s) required by law for accomplishing any work required in connection with this Agreement.

In the event any license(s) and/or permit(s) expire at any time during the term of this Agreement, Contractor agrees to provide the CCHCS with a copy of the renewed license(s) and/or permit(s) within thirty (30) days following the expiration date. In the event the

Contractor fails to keep in effect at all times all required license(s) and permit(s), the State may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

5. CONFLICT OF INTEREST

The Contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public

Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

a. Contractors and Their Employees

Consultant Contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service Contractors and/or certain of their employees may be required to file a Form 700 if so requested by the CCHCS or whenever it appears that a conflict of interest may be at issue. Generally, service Contractors (other than consultant Contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

- (1) The Agreement service has been identified by the CDCR as one where there is a greater likelihood that a conflict of interest may occur;
- (2) The Contractor and/or Contractor's employee(s), pursuant to the Agreement, makes or influences a governmental decision; or
- (3) The Contractor and/or Contractor's employee(s) serves in a staff capacity with the CDCR and in that capacity participates in making a governmental decision or performs the same or substantially all the same duties for the CDCR that would otherwise be performed by an individual holding a position specified in the CDCR's Conflict of Interest Code.

b. Current State Employees

- (1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- (2) No officer or employee shall contract on his or her own behalf as an independent Contractor with any state agency to provide goods or services.
- (3) In addition to the above, CDCR officials and employees shall also avoid actions resulting in or creating an appearance of:
 - (a) Using an official position for private gain;
 - (b) Giving preferential treatment to any particular person;
 - (c) Losing independence or impartiality;
 - (d) Making a decision outside of official channels; and
 - (e) Affecting adversely the confidence of the public or local officials in the integrity of the program.
- (4) Officers and employees of the Department must not solicit, accept or receive, directly or indirectly, any fee, commission, gratuity or gift from any person or business organization doing or seeking to do business with the State.

c. Former State Employees

- (1) For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.

- (2) For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the Contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The Contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by the CDCR. In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by the CDCR. For the purposes of this paragraph, “affiliated company, person or business” means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor’s owners, officers, principals, directors and/or shareholders, either directly or indirectly. “Affiliated companies, persons or businesses” include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the Contractor or by the Contractor’s owners, officers, principals, directors and/or shareholders.

The Contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The Contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the Contractor’s business structure and/or status. This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor’s business status or structure that could affect the performance of the Contractor’s duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

6. DISCLOSURE

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the Contractor any statement(s) known to State staff made by any inmate or parolee which indicates violence may result in any specific situation, and the same responsibility will be shared by the Contractor in disclosing such statement(s) to the State.

7. SECURITY CLEARANCE/FINGERPRINTING

The State reserves the right to conduct fingerprinting and/or security clearance through the California Department of Justice, Bureau of Criminal Identification and Information (BCII), prior to award and at any time during the term of the Agreement, in order to permit Contractor and/or Contractor's employees' access to State premises. 11. TUBERCULOSIS (TB) TESTING

Regular contact is defined as having contact with inmates/parolees in confined quarters more than once a week.

Contractors and their employees shall be required to furnish to CDCR, at no cost to CDCR, a form CDCR 7336, "Employee Tuberculin Skin Test (TST) and Evaluation," prior to assuming their contracted duties and annually thereafter, showing that the Contractor and their employees have been examined and found free of TB in an infectious stage.
