1.	Could you please let us know total how many resumes we can submit on this project?	The RFO is for one (1) Information Technology – Network Consultant (Project Manager). Therefore, one (1) resume should be submitted.
2	As mentioned on page#4, under Administrative Requirements we need to submit Sample project schedule & Redacted copy of Maintenance and Operation (M&O) plan with recommendations. Please suggest.	Submit a Sample project schedule from any project which you have worked on. Submit a redacted copy of a Maintenance and Operation plan. This can be for any effort which you have worked on.
3	I have a question about the Response Submittal. Within one day of submittal of our response electronically, should we submit the entire Hard copy of our response or just the pages where wet ink signatures are required?	Page 2 of the RFO states under 1. Submission of Offers: Electronic RFO responses will be accepted to begin the assessment process but an original "wet" signature copy must be received by CCHCS within one business day of the RFO Submittal. We are requesting receipt of the original "wet" signature copy of the **complete Offer** within one business day of the RFO response submittal.
