

Vendor Question	CCHCS Response
<p>1. One of our selected Sr. Programmers has requested a copy of her degree from her university, as she couldn't find it, and though a copy is on its way to her, there is a chance that it will not arrive prior to the Friday, June 9th, submittal. If the copy of the degree doesn't arrive by Friday, might we submit the RFO as-is and send the degree copy along as soon as it arrives?</p>	<p>All Offer packages should be submitted as a complete Offer package.</p>
