1.	A. Page 5 Administrative Requirements bullet 14 requires Contractor's Methodology. However, the RFO does not specify CCHCS expectations and scoring guide for the Contractor Methodology document. Please clarify CCHCS expectations for Contractor Methodology in terms of a Time and Material contract.	As with Q&A Sets 1 and 2, the scoring methodology is based on Best Value Criteria, as stated in the RFO Section 4, Selection Process. Scoring methodology is identified starting on Page 5 of the RFO: Administrative Requirements, Mandatory Qualifications, Desirable Qualifications, Cost, and Interview (optional). Contractor Methodology, is considered part of the Administrative Requirements, and as such will be assessed accordingly. The assessment of Contractor Methodology, is the same whether for a time and materials or deliverable based Offer.
