1.	<p>When reviewing the addendum, we noticed a couple of inconsistencies in the new changes:</p> <ol style="list-style-type: none"> <li>1. Page 5, section 4.b.i., new row 19: States <u>CMAS</u>; it should state <u>IT-MSA</u></li> <li>2. Page 35, Attachment C Cost Worksheet: FY 18/19 now states a period of performance from 7/1/18 to 7/16/18 (about 2 weeks). However, hours now state 1,548 for this timeframe. <u>It seems like one of these parameters is likely incorrect?</u></li> </ol> <p>Please advise next steps, including if an addendum 4 is needed?</p>	<p>Addendum #4 is posted along with this Q&amp;A Set #4 to update the following items in the RFO:</p> <ol style="list-style-type: none"> <li>1. "CMAS" has been changed to "IT-MSA" in the RFO, Page 5, Section 4.b.i., Item 19.</li> <li>2. Cost Worksheet has been updated with reduced hours for FY 18/19.</li> </ol>
2.	<p>"A minimum of five (5) years of experience executing functional testing, integration testing, interface testing involving SOA using HL7 and performance testing, and reporting on test results;" needs to be met all the three consultants or as a team, do they need to meet?</p>	<p><u>Each</u> proposed personnel will need to meet <u>all</u> Mandatory Qualifications.</p>
3.	<p>With the due date being Friday, June 23, is there any issue if we submit our response documents earlier?</p>	<p>Offers can be submitted at any time before the Final Date for Offer Submission that is listed in the RFO, Section 2, Key Action Dates.</p>
