EXHIBIT A STATEMENT OF WORK

A. PURPOSE

This Statement of Work (SOW) defines the activities of the Systems Applications and Products (SAP), HR Advance Business Application Programming (ABAP), Consultant to provide interface development services using SAP HR ABAP for the California Department of Corrections and Rehabilitation (CDCR), Enterprise Information Services (EIS) Division, Strategic Offender Management Systems (SOMS) Project. Through the BIS Technical Project Manager (TPM), or designee, the SAP HR ABAP Consultant shall design, develop, and test the BIS-SOMS interface using the SAP HR ABAP platform and the configured BIS application. The SAP HR ABAP Consultant will lead, troubleshoot, and resolve all BIS-SOMS interface issues as it relates to HR ABAP; conduct design sessions, develop interface to meet SOMS business requirements, test the BIS-SOMS interface, and deploy the interface.

B. BACKGROUND

The growing offender population combined with the increasing need to maintain more detailed information about each offender requires a more sophisticated method of record keeping than CDCR employs today. The SOMS project will encompass multiple, integrated applications along with a single statewide offender database, allowing CDCR to replace its current paper based, disparate, and duplicate systems with a single, strategic, statewide solution capable of supporting most of CDCR's adult and juvenile offender management needs. This system will integrate all offender data and improve adult and juvenile offenders' custody, correctional programs, parole monitoring, and administrative processes. The SOMS solution is being provided by HP Enterprise Services and Marquis the developer of the eOMIS COTS application. Interfaces within SOMS are Service Oriented Architecture (SOA) based utilizing Oracle Fusion Middleware products. Web Services (WSDL, SOAP and XML) is the preferred exchange mechanism.

CDCR's Business Information System (BIS) solution is an implementation of the Systems, Application and Products in Data Processing (SAP) suite of enterprise business management software. BIS streamlines the administrative processes of the Department, including financial, supply chain, and human resources management. BIS is an intranet-based, portal application using a browser-based user interface and a DB2 database.

CDCR has 60,000 employees, most of whom will have access to SOMS. SOMS will require human resource data on employees including physical work locations and work schedules. The BIS Interface will provide the human resource data needed in SOMS and will allow CDCR to avoid maintaining the same data in two separate systems (SOMS & BIS).

Due to the specialized nature of the SAP HR ABAP interface that CDCR is implementing, the CDCR BIS HR ABAP Team does not have the extensive background required to perform all of the required duties to design, develop, and deploy the BIS-SOMS interface solution. To gain the knowledge and skill sets required, CDCR staff would need to undertake thousands of hours of specialized training, which could potentially delay the SOMS Project deadlines. To mitigate these risks, CDCR needs to apply immediate resources to avoid delays. Therefore, CDCR is seeking an experienced SAP HR ABAP Consultant to design, develop, and deploy the BIS-SOMS real time interface.

C. MINIMUM REQUIREMENTS

1. Company Qualifications

Company must have a minimum of four (4) years experience and expertise providing IT consulting services.

2. SAP HR ABAP Consultant Qualifications

Candidates MUST meet all of the following Mandatory Qualifications to be considered for award. Candidates will be scored based on SAP experience in the resume against both the Mandatory and Desirable Qualifications. At the discretion of CDCR, interviews may be a part of the selection process.

2. Must have SAP certification in ABAP development or taken SAP Public Sector Academy courses in SAP HR ABAP development;

If funding for the purposes of this program is reduced or deleted for any fiscal year by the California State Budget Act, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an Agreement amendment to Contractor to reflect the reduced amount.

3. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927. Payment to small/micro businesses shall be made in accordance with and within the time specified in Chapter 4.5, Government Code 927 et seq.

4. Subcontractors

For all Agreements, with the exception of Interagency Agreements and other governmental entities/auxiliaries that are exempt from bidding, nothing contained in this Agreement, or otherwise, shall create any contractual relation between the State and any subcontractors, and no subcontract shall relieve the Contractor of Contractor's responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

In the event any license(s) and/or permit(s) expire at any time during the term of this Agreement, Contractor agrees to provide the CDCR with a copy of the renewed license(s) and/or permit(s) within thirty (30) days following the expiration date. In the event the Contractor fails to keep in effect at all times all required license(s) and permit(s), the State may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

5. Conflict of Interest

The Contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

a. Contractors and Their Employees

Consultant Contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service Contractors and/or certain of their employees may be required to file a Form 700 if so requested by the CDCR or whenever it appears that a conflict of interest may be at issue. Generally, service Contractors (other than consultant Contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

- (1) The Agreement service has been identified by the CDCR as one where there is a greater likelihood that a conflict of interest may occur;
- (2) The Contractor and/or Contractor's employee(s), pursuant to the Agreement, makes or influences a governmental decision; or

b. Current State Employees

c. Former State Employees

- (1) For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.
- (2) For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the Contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The Contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by the CDCR. In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by the CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders.

The Contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The Contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the Contractor's business structure and/or status. This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

6. Disclosure

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by inmates or parolees of the State. 7. Security Clearance/Fingerprinting

The State reserves the right to conduct fingerprinting and/or security clearance through the California Department of Justice, Bureau of Criminal Identification and Information (BCII), prior to award and at any time during the term of the Agreement, in order to permit Contractor and/or Contractor's employees' access to State premises. The State further reserves the right to terminate the Agreement should a threat to security be determined.

In addition, Contractor must recover and return any State-issued identification card provided to Contractor's employee(s) upon their departure or termination.

9. Non Eligible Alien Certification

By signing this Agreement Contractor certifies, under penalty of perjury, that Contractor, if a sole proprietor, is not a nonqualified alien as that term is defined by the United States Code (U.S.C.) Title 8, Chapter 14, Section 1621 et seq.

The following provisions apply to services provided on departmental and/or institution grounds:

10. Bloodborne Pathogens

Regular work is defined as having contact with inmates/parolees in confined quarters more than once a week.

Contractors and their employees shall be required to furnish to CDCR, at no cost to CDCR, a form CDCR 7336, "Employee Tuberculin Skin Test (TST) and Evaluation," prior to assuming their contracted duties and annually thereafter, showing that the Contractor and their employees have been examined and found free of TB in an infectious stage. The form CDCR 7336 will be provided by CDCR upon Contractor's request.
