

Vendor Question	CCHCS Response
1. May we obtain either fill-in pdf forms or Word version forms that must be submitted in the response? Attachment C, Cost Worksheet has red lettering in the boxes to be completed.	A word document can be provided upon request of Attachment C, Cost Worksheet, for RFO SD17-00101.
2. For Attachment D, will CCHCS consider allowing more than one reference from CDCR? Our proposed business analyst has extensive experience with HR automation, but has been at CDCR/CCHCS for nearly three years.	CCHCS is specifically requesting references for the most recent work, within the last 5 years, that has been performed by the proposed candidate(s). One CDCR reference should be sufficient to fulfil the requirements when calling to verify the work performance of the proposed candidate(s). Vendors should submit their form with the applicable number of references that will cover the services performed within the last five (5) years for the proposed candidate(s).
3. Is there an existing vendor currently providing similar services to CCHCS?	No.
4. Is there any incumbent vendor or consultants for these services?	No.
