¹ Beds Reserved - Beds held or endorsed to by the Health Care Placement Oversight Program (HCPOP) for a specific patient requiring APP or ICF level of care. The referral is either pending clinical acceptance by the PIP or the patient is pending transfer to the PIP.

² Beds Redlined - Beds are temporarily unavailable for patient placement due to repairs or single cell status (if a two-man cell).

³ Medical Isolation Rooms - Rooms are required for licensing and physically differ from the other housing cells in the program, i.e., have showers or restricted sightlines into the cell, and are deemed inappropriate for everyday use.

⁴ Pending Referrals - Includes all referrals received by the Mental Health Inpatient Referrals Unit (new inpatient referral, level of care transfers, least restrictive housing transfers) that are pending a clinical referral review, least restrictive housing determination, HCPOP endorsement/bed vacancy, or inpatient program acceptance.

⁵ Accepted Referrals - Includes all referrals that have been endorsed to a bed, have been accepted by the inpatient program, and are awaiting transfer.

*There are 66 redlined beds at CMF Psychiatric Inpatient Program due to construction renovation.

**There is 1 ICF referral, waiting greater than 30 days, that is pending due to a complex med case.
