SPECIAL TERMS AND CONDITIONS & ADDITIONAL PROVISIONS

1. **General Nature of Agreement/Limitation as to Contractor's Providers/Contractor's Responsibility for Its Providers and All Claims by or on Behalf of Contractor's Providers**

This Agreement is between only those expressly identified and signing as parties hereto, i.e., Contractor and CDCR/CCHCS. No person or entity not expressly named and signing as a party to this Agreement is intended to be a party and shall not be accepted or treated as a party. No employee of Contractor, or provider proposed or provided by Contractor under this Agreement, whether or not said providers are approved, accepted and used by CDCR/CCHCS, is thereby made a party to this Agreement or acquires any contractual rights of any type regarding CDCR/CCHCS.

Contractor is an independent contractor who is solely and fully responsible for the manner in which it and its providers perform/provide services under this Agreement. Any terms in this Agreement or arising related to this Agreement and indicating or referring to work direction from CDCR/CCHCS, are intended and shall be construed as providing for direction only as to policy and work results, and not as to the method or means by which work results are obtained. CDCR/CCHCS does not retain the right to control the method or means by which Contractor or its providers perform work under this Agreement. Nothing in this Agreement is intended or shall be construed as creating an employment or agency relationship between CDCR/CCHCS and Contractor, or between CDCR/CCHCS and any providers associated with Contractor.

Contractor and any of its providers, as proposed or provided to CDCR/CCHCS by Contractor for purposes of this Agreement, and whether or not any of the same are allowed to provide services to CDCR/CCHCS, shall not thereby be considered civil service employees, or CDCR/CCHCS/State of California employees, of any type or for any purpose, including with respect to any wage schedule or benefit plan available to civil service employees generally or to employees of CDCR/CCHCS or the State.

This Agreement does not control or limit the nature of the relationship between Contractor and any providers associated with it. CDCR/CCHCS defers to Contractor as to the nature, details, and type of relationship between Contractor and any providers associated with it, including any health care service provider, whether or not proposed by Contractor and approved/accepted by CDCR/CCHCS pursuant to this Agreement. This Agreement does not control or limit whether a relationship between Contractor and any of its providers is intended to be, or should be considered to be, as an employee, subcontractor, independent contractor, agent, partner, health care service provider, or any other possibility. Whatever that relationship may be, it is not one by which the providers can either acquire any rights of Contractor in relation to CDCR/CCHCS, or otherwise acquire any rights on their own in relation to CDCR/CCHCS.

Whatever the relationship between Contractor and its providers, Contractor agrees that any subcontract used by it to provide services to CDCR/CCHCS will include provision(s) requiring compliance with the applicable terms and conditions specified in this Agreement. Any related actions or claims initiated or filed by, or on behalf of, Contractor or its providers, such as but not limited to any action or claim for or related to unemployment benefits, tax withholdings, lost wages or revenues, workers' compensation, injuries, or illness, are entirely the responsibility of Contractor. To any extent that such an action or claim, by or on behalf of, or otherwise with respect to any providers associated with Contractor, results in any monetary assessment, either as awarded or per agreement, and however characterized, including but not limited to wages, compensation, or financial damages of any type; any withholding amount, or fine or other administrative assessment, settlement of any type, or attorney's fees; whether or not involving any local, state, or federal law or local, state, or federal government entity, Contractor agrees to pay all such costs that are assessed, awarded, agreed or incurred in any manner, including that Contractor will have primary responsibility for paying such costs, and also agrees to promptly reimburse CDCR/CCHCS or the State for any such costs paid by any of those entities.

Whatever the relationship between Contractor and its providers, any compensation or other amounts possibly due from Contractor to its providers, arising from or related to services rendered to CDCR/CCHCS pursuant to this Agreement, and any duty to withhold appropriate taxes, shall be the sole responsibility of Contractor. Contractor's obligation to pay its providers under this Agreement is independent from any amount due to Contractor under this Agreement. Accordingly, CDCR/CCHCS and/or the State has no obligation to make any payments directly to Contractor's providers that Contractor may have provided, and has no obligation to ensure that Contractor makes any payments due from Contractor.

Any dispute, claim, grievance, or any purported cause of action of any type (collectively: any dispute), initiated formally or informally, by or on behalf of, or in any way regarding any one or more of Contractor's former, current, or would-be providers, whether solely against Contractor or also against or involving CDCR/CCHCS or the State in any way, and related to this Agreement in any way, shall be the sole responsibility of Contractor to handle and resolve, without involving CDCR/CCHCS or the State. This includes but is not limited to any dispute about wages, work schedules, work conditions, travel or training, workers' compensation, unemployment insurance, or any expense, or attorney's fees, injuries or benefits of any kind. No employee or provider of Contractor proposed or provided by Contractor shall have any rights or remedies against CDCR/CCHCS or the State related to or arising from this Agreement. No such employee or provider associated with Contractor is eligible to use the dispute resolution process provided in this Agreement, for any dispute against anyone, as that process is limited to claims/disputes by Contractor against CDCR/CCHCS.

Any effort to state, file, or press any action or claim against CDCR/CCHCS or the State, by or on behalf of such providers associated with Contractor, shall be the sole responsibility of Contractor. Consistent with the overall indemnification clause, Contractor agrees to indemnify, defend, and hold harmless the State, CDCR/CCHCS, and CDCR/CCHCS' officers, employees and agents, against any and all losses, liabilities, settlements, claims, demands, damages, or deficiencies (including interest) and expenses of any kind (including but not limited to attorneys' fees) arising from or related to this Agreement, initiated by or on behalf of anyone, including Contractor and its providers, and any person or entity associated with Contractor acting pursuant to this Agreement. Regarding defense of any such action or claim, CDCR/CCHCS shall have the option of choosing its defense counsel, with all costs incurred in the course of such defense to be paid by Contractor, including any negotiated or court ordered award/fine/settlement. CDCR/CCHCS will promptly notify Contractor of any action or claim by or on behalf of any of Contractor's providers.

2. Dispute Resolution Process (Supersedes provision number 6, Disputes, of Exhibit C)

As a condition precedent to Contractor's right to institute and pursue litigation or other legally available dispute resolution processes, if any, Contractor agrees that all disputes and/or claims of Contractor arising under or related to the Agreement shall be resolved pursuant to the following process. This process is only available for disputes and/or claims by Contractor against CDCR/CCHCS and is not available for any disputes or claims by or on behalf of its providers.

Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such contract disputes, including network start-up cost(s)/service fee(s), or claim issues, Contractor agrees to proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the state of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California. The parties are hereby waiving any claim or defense that such venue is not convenient or proper.

The Agreement shall be interpreted, administered, and enforced according to the laws of the state of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California. The parties hereby waive any claim or defense that such venue is not convenient or proper.

CDCR/CCHCS may delegate this right to another State agency or party. Such reviews shall be undertaken to determine whether the course of treatment or services had prior authorization and were medically necessary. The utilization and performance of direct health care services to CDCR/CCHCS patients is expected to be in accordance with applicable state law for patient health care, as well as any CCHCS practice guidelines, including the Health Care Department Operations Manual (HCDOM), California Code of Regulations (CCR), Title 15, Division 3, Chapter 1, Subchapter 4, Articles 8 and 9 and CCR, Title 15, Division 3, Chapter 2, and be in accordance with the applicable standard of care. If Contractor disagrees with the UM review of a claim that results in a denial or disallowance of a billed service, Contractor agrees to pursue resolution by sequentially following the steps described below. Each party involved in an appeal shall act quickly so that the appeal may be resolved promptly. Every effort should be made to complete the action within the time limits contained in the appeal process. However, with the mutual consent of the parties, the time limitation for any step may be extended. If there has not been a mutually agreed upon time extension, failure to respond to the appeal within the specified time frames shall allow the appellant to file an appeal at the next level. e. Further Resolution

If the dispute is not resolved to Contractor's satisfaction, or Contractor has not received a written decision from CCHCS within thirty (30) calendar days, or other mutually agreed upon extension, Contractor may thereafter pursue its right to institute other dispute resolution process(es), if any, available under the laws of the state of California.

f. Limitation of Scope of Process

The dispute process set forth in Section 2, Dispute Resolution Process provision is not applicable for contracts that have been terminated in accordance with Section 3, Right to Terminate provision of this exhibit.

g. Changes to Contact Names and Addresses

CDCR/CCHCS may change the name or address of any person or entity noted in Section 2, Dispute Resolution Process provision by providing notice in the manner provided in this Agreement, and any such change shall not require a written amendment to this Agreement.

3. Right to Terminate (Supersedes provision number 7, Termination for Cause, of Exhibit C)

a. Termination of Agreement without Cause

CDCR/CCHCS and/or Contractor may terminate this Agreement without cause by giving no less than thirty (30) calendar days written notice to the other party. Any such termination shall be delivered via certified mail, specifying the date upon which such termination becomes effective.

Notwithstanding provisions in this Agreement to the contrary, if the basis for termination without cause is the provision of services by a health care network provider, including but not limited to health plan, preferred provider organization, or other health care network manager, CDCR/CCHCS may terminate this Agreement without cause and will notify Contractor in writing when doing so.

b. Termination of Agreement for Cause

Immediate Termination

CDCR/CCHCS may immediately terminate this Agreement under any circumstances that CDCR/CCHCS determines in good faith to be a breach by Contractor of its obligations under the Agreement, including its duty to maintain organizational and financial resources in a manner reasonably likely to facilitate Contractor's current and on-going compliance with the terms of the Agreement. Examples of breaches that justify termination of the Agreement include but are not limited to the following:

- (1) If CDCR/CCHCS determines that management practices adopted by Contractor or the current financial condition of Contractor interfere with the delivery of services or reduce the quality of such services.
- (2) If CDCR/CCHCS determines that Contractor is failing to maintain sufficient resources to perform under the Agreement successfully. This includes but is not limited to having providers in sufficient numbers and with the skills required who are willing to provide services under the Agreement.
- (3) If CDCR/CCHCS determines, based on reliable and factual information, that Contractor's actions place CDCR/CCHCS at risk for claims against CDCR/CCHCS.
- (4) If CDCR/CCHCS determines there is a substantial probability that Contractor is unable to render health care services to CDCR/CCHCS patients.
- (5) If CDCR/CCHCS determines that any state or federal regulatory and/or law enforcement agency has taken any enforcement action (administrative or otherwise) against Contractor, including but not limited to any investigation of Contractor or its providers.
- (6) If CDCR/CCHCS determines that the institution is experiencing difficulty in securing treatment from Contractor.
- (7) If CDCR/CCHCS determines that Contractor has failed to meet the terms, conditions and/or responsibilities of the Agreement.
- (8) If CDCR/CCHCS determines that the services rendered were below the applicable standards of care.

c. Termination for Insolvency

CDCR/CCHCS may terminate this Agreement immediately if Contractor files any federal bankruptcy action or state receivership action, whether voluntarily or involuntarily; or if, based on reliable information, CDCR/CCHCS determines there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement.

d. Supporting Documentation

CDCR/CCHCS may require Contractor to disclose any information that CDCR/CCHCS deems necessary to determine compliance with the requirements of this Agreement, including but not limited to certified financial statements, documentation reflecting Contractor's ability to immediately provide substitute providers, and documentation reflecting Contractor's ability to comply with the indemnification requirements of this Agreement. If such information is required, Contractor will be notified and will be permitted five (5) State business days to submit the information requested. Failure to provide the requested information may be grounds for termination of the Agreement for cause.

e. Obligations Upon Termination

From and after the effective date of termination of this Agreement, Contractor shall not be entitled to compensation for further services hereunder, except as expressly set forth in the Alternative Arrangements Upon Termination provision of this section.

Contractor shall forthwith upon such termination, but in no event later than thirty (30) calendar days following such termination:

- (1) Deliver to CDCR/CCHCS a full accounting of the status of claims.
- (2) Deliver to CDCR/CCHCS all property and documents of CDCR/CCHCS that are in the custody of Contractor and its providers.
- (3) Deliver to CDCR/CCHCS all reports required from this Agreement.

Despite termination, Contractor, or its solvent entity, or administrator shall report to the requested party on demand an update of the information in (1), (2), and (3) above, and any other relevant information requested by CDCR/CCHCS.

The termination of this Agreement shall not relieve Contractor of liability under the indemnification provisions.

The termination of this Agreement shall not relieve Contractor of those duties under the Alternative Arrangements Upon Termination provision of this section.

Upon the termination of this Agreement for cause, all damages, losses, and costs to CDCR/CCHCS, which flow from the breach, shall be deducted from any payments due to Contractor hereunder and the balance, if any, shall be paid to Contractor.

f. Alternative Arrangements Upon Termination

Upon notification of termination of this Agreement, Contractor agrees to assist CDCR/CCHCS in securing alternative arrangements for the provision of care from another CDCR/CCHCS contracted facility or health care provider for those CDCR/CCHCS patients receiving inpatient care at the time of termination. Contractor further agrees to continue to provide adequate levels of health care services to CDCR/CCHCS

patients until alternative arrangements can be obtained. The rate of pay shall be consistent with the terms of this Agreement.

g. Assurances Upon Termination

Upon notification of termination of this Agreement for any reason whatsoever, Contractor shall cooperate fully with CDCR/CCHCS in order to effectively and orderly transition CDCR/CCHCS patients to another facility. The foregoing shall include, without limitation, attending such post-termination meetings as shall be reasonably requested by CDCR/CCHCS.

h. Governing Forum and Venue

This Agreement shall be interpreted, administered, and enforced according to the laws of the state of California (without regard to any conflict-of-laws provision), except as preempted by federal law. Forum for any suit brought hereunder shall be in California, and the venue for any suit brought hereunder shall be in the state or federal courts sitting in the County of Sacramento, California; the parties hereby waiving any claim or defense that such forum or venue is not convenient or proper. Each party agrees that any such court shall have in *personam* jurisdiction over it and consents to personal jurisdiction for this purpose in the forum chosen by the plaintiff bringing the action.

4. Remedies Other Than Termination

Notwithstanding other provisions of this Agreement, and in the sole discretion of CDCR/CCHCS, CDCR/CCHCS reserves the right to take the following actions in response to Contractor's failure to comply with the terms and conditions outlined in Exhibit A – Scope of Work, in-lieu of exercising its rights referenced in Section 3, Right to Terminate provision of this exhibit, when CDCR/CCHCS deems these remedies more appropriate:

- a. Withhold payment for specified services.
- b. Suspend a Contractor from providing services for a specified period of time.

CDCR/CCHCS reserves the State's right to execute the remedies under provisions 4a. and 4b. above, if the failure constitutes a material breach of this Agreement and if Contractor does not cure such failure within the timeframe stated in the State's corrective action plan, which in no event shall be less than fifteen (15) calendar days, unless the Exhibit A – Scope of Work, in CDCR/CCHCS' sole discretion, necessitates a shorter period.

5. Stop Work

- a. CDCR/CCHCS, at any time, may issue a notice to suspend performance or stop work under this Agreement. The initial notification shall be a written directive issued by CDCR/CCHCS. Upon receipt of said notice, Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within thirty (30) calendar days of the initial notification. The resumption of work (in whole or part) will be at CDCR/CCHCS' discretion and upon receipt of written confirmation.

(1) Upon receipt of a suspension or stop work notification, Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.

(2) In the sole discretion of CDCR/CCHCS, within thirty (30) calendar days or more of the issuance of a suspension or stop work notification, CDCR/CCHCS shall either:

- (a) Cancel, extend, or modify the suspension or stop work notification; or
- (b) Terminate the Agreement as provided in Section 3, Right to Terminate provision of this exhibit.
- c. If a suspension or stop work notification issued under this clause is cancelled or the period of suspension or any extension thereof is modified or expires, Contractor may resume work only upon written concurrence of CDCR/CCHCS.
- d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
- e. If a notice to suspend performance or to stop work is issued and not cancelled, and after such issuance, this Agreement is terminated pursuant to Section 3, Right to Terminate provision of this exhibit, CDCR/CCHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.

- c. Contractor shall immediately report in writing to CDCR/CCHCS the resignation, dismissal, or other unavailability of any providers whose unavailability has the potential to impede Contractor's full and timely compliance with the Agreement. Contractor shall ensure that it and all of its providers, with respect to any proposed or actual work for CDCR/CCHCS, know and comply with the Prison Rape Elimination Policy, which can be found in the DOM, Chapter 5, Article 44.

Contractor and its providers performing services on-site at institutions or camps are responsible for reviewing the Health Care On-Site Contractor's Orientation handbook (Handbook) and signing the Self-Certification Acknowledgement at the end of the Handbook. The Handbook may be located on the internet at the following link:

https://cchcs.ca.gov/project_rfp/

Contractor and its providers shall provide a copy of the Self-Certification Acknowledgment to all institutions, for which Contractor or its providers are contracted to provide services. By signing the acknowledgement, Contractor and its providers are acknowledging the Prison Rape Elimination Policy Requirements as part of the orientation self-certification. A copy of the acknowledgement shall be maintained by Contractor and presented upon request by CDCR/CCHCS.

38. Provider's Compliance with Institution Requirements

By entering into this Agreement, Contractor agrees to adhere to the Primary Laws, Rules, and Regulations Regarding Conduct and Association with State Prison Incarcerated persons (previously titled Secretary's Digest of Laws Related to Association with Prison Incarcerated persons), and other bylaws, rules, policies, and procedures that apply to CDCR institutions, maintain all CDCR security measures, and provide a safe work environment at all times. Contractor agrees that, prior to commencing service under this Agreement at an institution, all Contractor's providers shall agree to adhere to these requirements. CDCR/CCHCS shall furnish Contractor with a copy of the Primary Laws, Rules, and Regulations Regarding Conduct and Association with State Prison Incarcerated persons (CDCR 181) upon request. The Request for Gate Clearance shall include the person's name, social security number, valid state driver's license number or state identification card number, and date of birth. CDCR/CCHCS may use the Request for Gate Clearance to run a California Law Enforcement Telecommunications System check and/or Live Scan. The check will include Department of Motor Vehicles check, Wants and Warrants check, and Criminal History check.

Gate clearance may be denied for the following reasons: individual's presence in the institution presents a serious threat to security; individual has been charged with a serious crime committed on institution property; inadequate information is available to establish positive identity of prospective individual; individual has deliberately falsified his/her identity; and/or the individual has not complied with any other requirement of this Agreement.

CDCR/CCHCS may deny gate clearance for Contractor or its provider, or decline Contractor or its provider from being allowed to provide services, at one or more institution. A determination to deny access to one or more institution under this Agreement may, in the sole discretion of CDCR/CCHCS, apply to other contracts under which Contractor or its providers render services. CDCR/CCHCS may prepare and disseminate a list of the names of persons whose gate clearance has been denied, via a process to be determined in CDCR/CCHCS' sole discretion. This list shall be a public record.

All persons entering the institution shall have a valid state driver's license or photo identification card on their person.

Unless the Agreement contains express language to the contrary, CDCR/CCHCS shall not compensate Contractor for time spent by Contractor or its providers clearing the institution gate, or for time traveling to or from the medical clinic or other location at the institution where health care services are provided.

40. Disabled Veteran Business Enterprise (DVBE)

Agreements Exempt from DVBE (exempt by statute or CDCR policy, medical, etc.)

If this Agreement is exempt from DVBE requirements, CDCR/CCHCS requests your assistance in achieving legislatively established goals for the participation of DVBEs by reporting any certified DVBEs that will be used in the performance of this Agreement.

41. Amendments

No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understandings or agreements, not incorporated in the Agreement, are binding on any of the parties. CDCR institution executives and staff do not have authority to make oral or written amendments to this Agreement.

42. Assignment

No assignment of this Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understandings or agreements, not incorporated in the Agreement, are binding on any

of the parties. CDCR institution executives and staff do not have authority to make oral or written amendments to this Agreement.

43. Insurance Requirements

CDCR/CCHCS may waive application of portions or all of this provision.

CDCR/CCHCS may, in its sole discretion, change the list of State employees, officials, representatives, or other State-related entities or persons who are certificate holders or insured under Contractor's insurance as required herein, by providing notice in the manner provided in this Agreement, and any such change shall not require a written amendment to this Agreement.

Insurance as required herein shall be a condition of the State's obligation to pay for services provided under this Agreement. Prior to approval of this Agreement and before performing any services, Contractor shall furnish to the State evidence of valid coverage, on behalf of Contractor and any provider required by this Agreement to be covered by insurance. The following shall be considered evidence of coverage: a certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier. Binders are not acceptable as evidence of coverage. Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or ensure any premises owned, leased, or otherwise used by or under the control of the State. It does, however, serve to provide the State with proof that Contractor and any provider are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is cancelled at any time during the term of this Agreement, Contractor agrees to give at least thirty (30) calendar days written notice to the State before said expiration date or immediate notice of cancellation. Evidence of coverage required in the performance of this Agreement shall not be for less than the remainder of the term of this Agreement, or in CDCR/CCHCS' discretion, for a period of less than one year. CDCR/CCHCS and the DGS reserve the right to verify Contractor's evidence of coverage; evidence of coverage is subject to the approval of the DGS. In the event Contractor or its provider fails to keep insurance coverage as required herein in effect at all times, the State reserves the right to terminate this Agreement and seek any other remedies afforded by the laws of the state of California.

Self-insured public entities **shall** provide proof of self-insurance.

It is necessary for some policies to include the State of California, its officers, agents, and employees as additional insured, but only with respect to services performed under the Agreement. Contractor hereby represents and warrants that Contractor is currently and shall remain, for the duration of this Agreement at Contractor's own expense, insured as follows:

a. Commercial General Liability (if applicable for the contract services type)

Contractor agrees to carry a minimum of One Million Dollars (\$1,000,000) per occurrence for bodily injury and property damage liability combined (Required only if the services are provided at Contractor's facility/office or if equipment to be brought to the institution for performance of service. Not required for Specialty Physician Services provided on-site at the institution).

The certificate of insurance **shall** include the following provisions:

The California Department of Corrections and Rehabilitation (CDCR) and California Correctional Health Care Services (CCHCS) shall be named as the "Certificate Holder" and include the following language:

State of California

California Department of Corrections and Rehabilitation (CDCR)
California Correctional Health Care Services (CCHCS)
Direct Care Contracts Section
PO Box 588500, Building D
Elk Grove, CA 95758

The State of California, its officers, agents, employees, and servants are hereby named as additional insured, but only with respect to work performed for the State of California. (Not required for professional liability insurance).

b. Auto Liability (if applicable for the contract services type)

Contractor shall ensure that it and all its providers who drive personal vehicles to, or on-site at the institution, maintain motor vehicle insurance liability coverage, as required by the State of California for the operation of a personal vehicle and maintain a copy of that coverage, should CDCR/CCHCS request it for purposes of a review or vehicle incident at a CDCR institution.

Contractor agrees to carry automobile liability coverage of a minimum of One Million Dollars (\$1,000,000) per claim if providing ambulance services or services using mobile vehicle MRI, CT, or mammography equipment on institution grounds.

Proof of motor vehicle insurance liability shall be provided prior to the Agreement approval. Contractor shall be responsible for ensuring it is maintained throughout the term of the Agreement.

c. Professional Liability (if applicable for the contract services type)

Contractor agrees to carry a minimum coverage of One Million Dollars (\$1,000,000) per claim up to an annual aggregate of Three Million Dollars (\$3,000,000) for professional liability.

Proof of professional liability insurance shall be provided prior to the Agreement approval. Contractor shall be responsible for ensuring it is maintained throughout the term of the Agreement.

d. Workers' Compensation (if applicable for the contract services type)

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this Agreement, carry workers' compensation insurance, at Contractor's expense, or that it is self-insured through a policy acceptable to CDCR/CCHCS, for Contractor and all its providers. Such coverage will be a condition of CDCR/CCHCS' obligation to pay for services provided under this Agreement.

Workers' compensation coverage is only applicable to this Agreement if Contractor is required, under relevant statute, regulation, or Court opinion, to provide workers' compensation coverage for performance of services under this Agreement. However, Contractor shall furnish, within three (3) State business days following CDCR/CCHCS' request, either:

- (1) A copy of the certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier reflecting workers' compensation coverage for all providers; or
- (2) Written confirmation, in a manner defined by CDCR/CCHCS, that workers' compensation coverage is not required for provider.

e. Aircraft Liability (if applicable for the contract services type)

Contractor agrees to carry a minimum of Five Million Dollars (\$5,000,000) per claim for bodily injury and property damage liability combined.

The policy **shall** include the State of California, its officers, agents, and employees as additional insured, but only with respect to work performed for the State of California.

f. Additional Insurance Provisions

The State reserves the right to request proof of insurance at any time. Coverage shall be maintained throughout the term of this Agreement. In the event Contractor fails to ensure the proper insurance coverage remains in effect at all times for Contractor and its providers, the State may, in addition to any other remedies it may have, terminate the Agreement. Such coverage as referenced shall be a condition of CDCR/CCHCS' obligation to pay for services provided under this Agreement. The following shall be considered evidence of coverage: a certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier or proof of self-insurance. Binders are not acceptable as evidence of coverage per California Insurance Code Section 382.5.

Contractor also agrees to indemnify, defend and hold harmless the State, its officers, agents, and employees from any and all claims by provider, and/or anyone representing Contractor, related to any non-performance of this section.

By signing this Agreement, Contractor confirms that the liability insurance carrier has knowledge of Contractor's extension of services to CDCR/CCHCS patients. Such action conveys no coverage to the State under Contractor's policy, nor does it insure any State employee or insure any premises owned, leased, or otherwise used by or under the control of the State with respect to coverage.

44. Notice of Attorney General Provision – California Government Code Section 12511.5

The Attorney General may defend a public or private provider of health care, as defined in California Civil Code Section 56.05, including Contractor and its providers against any claim that the civil rights of a person in state custody were violated in the provision of health care services, where those services were provided under contract with, or under the control of, CDCR/CCHCS. Defense of the provider of health care is conditioned upon maintaining insurance for professional negligence, as required under this Agreement.

45. Authority

Contractor hereby recognizes that this Agreement is entered into under the authority of California Penal Code Section 5054, which places the responsibility for the custody and care of California's institutionalized public offenders on the Secretary of CDCR, and CCR, Title 15, which authorizes the Secretary of CDCR to contract for the provision of incarcerated person health care services.

Newsom* in United States District Court for the Northern District of California, Case No. C01-1351-JST, which places the responsibility for all medical care of CDCR institutionalized public offenders with the Receiver. During the existence of the Receivership, references in this Agreement to "California Department of Corrections and Rehabilitation," "CDCR," "California Correctional Health Care Services," "CCHCS," "California Department of Corrections and Rehabilitation/California Correctional Health Care Services," and "CDCR/CCHCS" shall all refer to the area of California Department of Corrections and Rehabilitation, California Correctional Health Care Services, that reports to the Receiver.

46. Small Business and DVBE Participation – Commercially Useful Functions

This Agreement shall be subject to all requirements as set forth in Assembly Bill (AB) 669, Statutes of 2003, pertaining to the following code sections: GC Sections 14837, 14839, 14842, 14842.5, and Military and

Veterans Code (MVC) Sections 999, 999.6, 999.9. In part, these code sections involve requirements to qualify as a California certified Small Business, Microbusiness, and DVBE. Effective January 1, 2004, the aforementioned companies shall perform a Commercially Useful Function to be eligible for award. AB-669 also requires that the DVBE be “domiciled” in California. Failure of the supplier to comply with the definition of and detailed requirements for providing a Commercially Useful Function will cause the supplier’s bid response to be considered nonresponsive and their bid will be rejected. Also, Contractors found to be in violation of certain provisions contained within these code sections may be subject to loss of certification, penalties, and Agreement cancellation.

Contractor agrees that under no circumstances shall the parole date prevent a CDCR/CCHCS from receiving emergency medical services or result in the premature discharge of a CDCR/CCHCS patient.

50. Contracts Exempt from Public Disclosure

Government Code Section 6254.14 exempts CDCR/CCHCS from publicly disclosing the terms and conditions of its negotiated health care agreements. Except for required disclosures set forth in GC Section 6254.14, Contractor agrees to protect the confidentiality of the terms and conditions of this Agreement and any amendment for one (1) year after execution, and to protect the confidentiality of the rates contained in this Agreement and any amendment for four (4) years after execution.

If the dispute is still not resolved to the Contractor's Satisfaction at the First Level Audit Appeal level, Contractor may file a written Second Level Audit Appeal, within thirty (30) calendar days following the determination from the First Level Audit Appeal. Appeals are to be submitted to the PPAR vendor as outlined in their correspondence.

The Second Level Audit Appeal shall be sent with additional supporting documentation and justification to the detailed reason(s) of dispute in regards to the First Level Audit Appeal, along with the denial letter and all original supporting documentation provided for the prior appeals.

The PPAR vendor will evaluate the appeal and issue a written response within thirty (30) calendar days of receipt of the Second Level UM Refund Appeal.

(3) Administrative Level Audit Appeal

If the dispute or claim is still not resolved to Contractor's satisfaction at the Second Level Audit Appeal level, Contractor may file a written Administrative Level Audit Appeal, within thirty (30) calendar days following the date of the determination from the Second Level Audit Appeal, to the address provided in their original Overpayment letter or to the CCHCS HIS Assistant Deputy Director at the following address:

California Correctional Health Care Services
Healthcare Invoicing Section
Attn: Assistant Deputy Director
PO Box 588500, Building D-2

The Administrative Audit Appeal for Administrative Resolution shall include a written certification signed by a knowledgeable company official under the penalty of perjury according to the laws of the state of California pursuant to CCP Section 2015.5 that the dispute, claim, or demand is made in good faith, and that the supporting data is accurate and complete. If an Agreement adjustment is requested, the written certification shall further state under penalty of perjury that the relief requested accurately reflects the Agreement adjustment for which CCHCS is responsible.

The CCHCS HIS Assistant Deputy Director or Utilization Management shall make a determination on the issue and respond in writing within thirty (30) calendar days of receipt of the Administrative Level Audit Appeal, indicating the written decision. Contractor shall be notified if an extension of time is necessary.

61. Unusual Circumstances

a. Major Disaster or Epidemic

In the event of any major disaster or epidemic, as declared by the governor of the State and affecting Contractor's service area, or epidemic, as declared by the California Department of Public Health, or other appropriate entity, Contractor shall render or attempt to arrange for the provision of services insofar as practical, according to their best judgment, within the limitations of such facilities and its providers as are then available. Neither Contractor nor its providers have any liability or obligation for delay or failure to provide any such services due to lack of available facilities or its providers if such lack is the result of such disaster or epidemic.

b. Circumstances Beyond Contractor's Control

If due to circumstances not reasonably within the control of Contractor, such as complete or partial destruction of facilities, war, riot, civil insurrection, or similar causes, the rendition of service provided hereunder is delayed or rendered impractical, then Contractor has no liability or obligation under this Agreement for such delay or such failure to provide services.

62. Indemnification (Supersedes provision number 5, Indemnification, of Exhibit C)

a. Terms of Contract

Contractor shall indemnify, defend, and hold harmless the State, CDCR/CCHCS, and CDCR/CCHCS' officers, employees and agents, against any and all losses, liabilities, settlements, claims, demands, damages, or deficiencies (including interest), and expenses of any kind (including but not limited to attorneys' fees) arising out of the performance of this Agreement or due to a breach of any representation or warranty, covenant, or agreement of Contractor or provider contained in this Agreement. The State, CDCR/CCHCS' officers, agents, and employees shall be responsible for their own acts and omissions.

b. Provision of Services

Contractor shall be solely responsible for any and all losses, liabilities, settlements, claims, demands, damages, or deficiencies (including interest), and expenses of any kind (including but not limited to attorney's fees) arising out of Contractor's, provider's, or their representatives' negligent acts or omissions hereunder. The State, CDCR/CCHCS' officers, agents, and employees shall be responsible for their own acts and omissions.

63. Overpayments and Offsets

Contractor and CDCR/CCHCS agree that CDCR/CCHCS may offset any overpayment, erroneous payment, or otherwise improper payment (collectively, overpayment) to Contractor by directly withholding that amount from the next payment or several payments, as necessary to pay the overpayment, that would otherwise be due to Contractor. However, at least thirty (30) calendar days prior to seeking recovery via offset, CDCR/CCHCS shall provide written notice to Contractor to explain the nature of the overpayment and describe the recovery process. CDCR/CCHCS will not offset an overpayment during the pendency of an appeal, filed under Section 2, Dispute Resolution Process provision of this exhibit, challenging the determination of overpayment. If recovery of the full amount of overpayment at one time imposes a financial hardship on Contractor, CDCR/CCHCS, in its sole discretion, may grant Contractor's request to repay the recoverable amount in monthly installments over a period of consecutive months, not to exceed six (6) months.

64. Liquidated Damages

a. General

It is the policy of the California Legislature to use liquidated damage provisions in State contracts, as set forth in California Civil Code Section 1671, subdivision (b), and PCC Section 10226. The parties agree that CDCR/CCHCS shall have the authority to impose liquidated damages on Contractor.

Therefore, it is agreed by CDCR/CCHCS and Contractor that, if Contractor does not comply with the terms of this Agreement, as well as all applicable federal, state, and local statutes and regulations:

- (1) Damage and harm to the State will result.
- (2) Proving such damages shall be costly, difficult, and time-consuming.

- (3) If CDCR/CCHCS chooses to impose liquidated damages, Contractor shall pay the State those damages for not providing or performing the specified requirements.
- (4) Additional damages may occur in specified areas by prolonged periods in which Contractor does not provide or perform requirements.
- (5) The damage figures listed elsewhere in this Agreement represent a good faith effort to quantify the range of harm that could reasonably be anticipated at the time of the making of the Agreement.
- (6) The damages provided for under this provision and elsewhere in this Agreement are difficult to establish.
- (7) Contractor shall pay the amounts set forth in this provision and elsewhere in this Agreement as liquidated damages and not as a penalty.
- (8) Liquidated damages will not be assessed if Contractor's delay or failure to timely perform its obligations was caused by factors beyond the reasonable control and without any material error or negligence of Contractor, its employees, or providers.
- (9) If a Contractor's delay or failure to timely perform an obligation under the Agreement was caused, in part, by a CDCR/CCHCS failure to perform an obligation under the Agreement, liquidated damages will be apportioned in an amount proportionate with Contractor's culpability, as determined by CDCR/CCHCS, for the delay or failure to timely perform.

b. Assessment of Liquidated Damages

- (1) Failure to provide services on three (3) or more occasions may result in termination of the Agreement or the institution not having to contact Contractor prior to contacting other contractors for the duration of the Agreement term. The CCHCS Direct Care Contracts Section Staff Services Manager III or designee has the sole discretion in this decision.
- (2) In the event there is a need to acquire additional resources outside this Agreement to obtain the required contracted services, Contractor shall be responsible to pay the cost differential sustained by CDCR/CCHCS to obtain the services, due to failures of Contractor to meet the service requirements as outlined in this Agreement.

c. Manner of Collection

- (1) After CDCR/CCHCS has determined that liquidated damages are to be assessed, CDCR/CCHCS shall notify Contractor in writing of the reason for and amount of the assessment(s). The assessment notice shall be sent to Contractor by certified mail, return receipt requested, or by any other method, which provides evidence of receipt. At CDCR/CCHCS' discretion, the assessment notice may direct payment of the assessment by Contractor. If payment is thus directed, Contractor shall pay the assessment within thirty (30) calendar days of receipt of the assessment notice.
- (2) Any liquidated damages assessment may also be collected, at CDCR/CCHCS' discretion, by offsetting the funds from payment(s) due to Contractor after the date of assessment, in the manner set forth in Section 63, Overpayments and Offsets provision of this exhibit.

d. Interest on Pending Liquidated Damages

- (1) If it should later be determined in the dispute process that funds collected by the State to pay liquidated damages assessment should be refunded, the State shall pay interest accruing from the date of offset or collection. The interest rate paid shall be the average rate for investment in the

Pooled Money Investment Fund (PMIF) in effect for the month in which the assessment was offset or otherwise collected. When a liquidated damages assessment is offset or otherwise collected over a period of two (2) or more months, the interest rate paid by the State shall be the average rate for investment in the PMIF in effect for the first (1st) month in which the assessment was offset or otherwise collected, revised quarterly for the period of time the assessment was retained by the State.

- (2) Contractor shall pay interest to the State on all liquidated damages assessments which are not either paid or offset against payment due to Contractor within thirty (30) calendar days of the date of receipt of the assessment notice. The interest rate paid shall be the average rate for investment in the PMIF in effect for the month of assessment. If Contractor's continuing liability for one (1) particular liquidated damages assessment extends over a period of two (2) or more months, the interest rate shall be the average for investment in the PMIF for the first (1st) month in which liquidated damages were assessed, revised quarterly over the period the assessment remained uncollected.
- (3) Interest accrues during all periods of time in which the liquidated damages assessment is unpaid or otherwise uncollected. For instance, interest accrues during periods in which collection of the assessment has been suspended, pending the outcome of the dispute or appeal.
- (4) If a reduction in the final amount of liquidated damages is finally determined, the interest shall be prorated unless impractical to do so.

Nothing in this provision shall be construed as relieving Contractor from performing any other contract duty not listed herein, nor is CDCR/CCHCS' right to enforce or seek other remedies for failure to perform any other contract duty hereby diminished.

If any portion of these liquidated damages provisions is determined to be unenforceable, the other portions shall remain in full force and effect.

65. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities that shall be grounds for termination of this Agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

66. Generative Artificial Intelligence

During the term of the contract, Contractor shall notify the State in writing if their services or any work under this contract includes, or makes available, any previously unreported GenAI technology, including GenAI from third parties or subcontractors. Contractor shall immediately complete the GenAI Reporting and Factsheet (STD 1000) to notify the State of any new or previously unreported GenAI technology. At the direction of the State, Contractor shall discontinue the use of any new or previously undisclosed GenAI technology that materially impacts functionality, risk or contract performance, until use of such GenAI technology has been approved by the State. Failure to disclose GenAI use to the State and submit the GenAI Reporting and Factsheet (STD 1000) may be considered a breach of the contract by the State at its sole discretion and the State may consider such failure to disclose GenAI and/or failure to submit the GenAI Reporting and Factsheet (STD 1000) as grounds for the immediate termination of the contract. The State is entitled to seek any and all relief to which it may be entitled to as a result of such non-disclosure. The State

reserves the right to amend the contract, without additional cost, to incorporate GenAI Special Provisions into the contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to the State.
